Parlor Beauty & Wellness Collective | 6100 E Central Ave, Suite 215, Wichita, KS 67208 | (316) 201-6255

Consent for radio-frequency skin tightening and body contouring treatments for firming, toning, and inch reduction. Typically delivered as a weekly series; pricing and plan set at consultation.

What to Know

- ☐ Treatment feels like deep warmth; redness and warmth after treatment usually settle within hours.
- ☐ Mild swelling or tenderness is possible.
- ☐ Radio-frequency treatments are not performed during pregnancy or over pacemakers or metal implants.
- ☐ Series consistency and home habits (hydration, activity) influence results.

I Confirm That

- ☐ I am not pregnant and do not have a pacemaker or metal implant in or near the treatment area.
- ☐ I have disclosed my health history and medications.
- ☐ I understand results build over the series and vary by individual.

For your safety, tell us about all medications and supplements (including aspirin, ibuprofen, fish oil, antibiotics, and retinoids), skin conditions, allergies, recent or planned sun or tanning-bed exposure, self-tanner use, pregnancy or nursing, and recent cosmetic procedures. Undisclosed conditions and medications are the most common cause of poor outcomes.

Results vary with skin type, age, hormones, health, home care, and consistency with the treatment plan. Honest work is promised; specific outcomes are not guaranteed.

I have read this form, had the chance to ask questions, and I answered the health questions truthfully. I understand the information above and consent to the service described.
