

Facial & Skin Treatment Consent

Parlor Beauty & Wellness Collective | 6100 E Central Ave, Suite 215, Wichita, KS 67208 | (316) 201-6255

Consent for facial services including cleansing, exfoliation, enzyme and express peels, extractions, dermaplaning, LED therapy, masques, and related enhancements.

What to Know

- ☐ Temporary redness, warmth, or sensitivity is normal and usually resolves within hours to a day.
- ☐ Mild breakouts or purging can follow deep-cleansing treatments.
- ☐ Dermaplaning uses a blade on the skin; small nicks are rare but possible.
- ☐ Some skin is not suited to certain treatments on a given day; the plan may be adjusted for safety.

I Confirm That

- ☐ I have disclosed my full health history, medications, and recent sun exposure.
- ☐ I will follow the aftercare I am given, including sun protection.
- ☐ I understand I should avoid retinoids and strong exfoliants before and after as directed.

For your safety, tell us about all medications and supplements (including aspirin, ibuprofen, fish oil, antibiotics, and retinoids), skin conditions, allergies, recent or planned sun or tanning-bed exposure, self-tanner use, pregnancy or nursing, and recent cosmetic procedures. Undisclosed conditions and medications are the most common cause of poor outcomes.

Results vary with skin type, age, hormones, health, home care, and consistency with the treatment plan. Honest work is promised; specific outcomes are not guaranteed.

I have read this form, had the chance to ask questions, and I answered the health questions truthfully. I understand the information above and consent to the service described.
